ONE JOURNEY - MANY PATHS

Presents

A VariYoga Retreat to Peru

With

Andrea Fournet & Bryan Fowler

June 18 – June 29, 2011

NO YOGA EXPERIENCE REQUIRED!

Beginners Welcome

Each day Andrea and Bryan will lead us in an easy and accessible morning yoga session to prepare us for the day, and an evening meditation/journaling session to reflect on our journey. The trip includes two days in Cusco, a trip to Machu Picchu, trips to local communities and other beautiful Peruvian sights. The majority of lodging is at Willka T'ika, in the sacred Valley of the Incas. In addition to the beautiful garden accommodations, they prepare vegetarian and organic cuisine in their eco-lodge, which has received the highest rating for centers of its type.
